

Avila La Fonda

H O T E L

Located between San Luis Obispo & Pismo Beach on California's Central Coast

All Guest Suites and Casitas are beautifully appointed & include:

- Living areas with leather pull-out sofas and thermostatically controlled fireplaces
- Quality entertainment systems with 42" plasma TV, Bose™ Wave music system, iHome iPod System, free wireless internet, loaner laptops
- Custom tiled bathrooms with Jacuzzi™ tub for two, separate shower area with three to six shower heads, oversized towels with towel warmers and soft, hooded bathrobes
- Complimentary personalized Honor Bar
- Hospitality Bar includes refrigerator, bottled waters, microwave, popcorn – or –
- Gourmet kitchen with stainless steel appliances, granite countertops and Cuisinart™ coffee system loaded twice daily with Starbucks™ coffee
- Luxurious linens - our beds are triple sheeted with 500 thread count linens, feather bed covers, down pillows and large blankets

This property is full of beautiful art, tile work, fountains and a mural painted by one of our owners. Our library has books, DVDs, and CDs available to borrow. Guests can also enjoy our outdoor fireplace, wet bar, BBQ grills, bicycles, beach gear and much more.

For years we've dreamt of creating the best small hotel in California. The location had to be perfect and the property had to be special. Avila Beach is the only area on the Central Coast that combines the best weather, a south facing beach and an intimate town of just three hundred people.

Avila Beach's Newest Treasure!

*Expect to be
pampered.*

*No other hotel in
the world has the
same level of
amenities...
in every room.*

The Hotel was designed to reflect Avila - small, refined, exclusive and full of beauty. Avila LaFonda is that kind of place... a sanctuary for just a few lucky souls.

Avila La Fonda

H O T E L

Avila La Fonda Hotel is an inspiring treat with artwork and surprises around every corner of the property. Once you have enjoyed the beauty of the lobby, step into our rooms designed with very special guests in mind.

Our luxury rooms are designed to charm our guests the moment they open the door.

We never understood the concept of one room designed for every guest. The Avila La Fonda is unique enough to give you a reason to travel... just bring the desire to relax in luxury.

Casita

*Honeymoon, Anniversary
Family Reunion*

You will find that these are simply the finest accommodations on the coast with over 1,000 sq. ft. of luxurious living space. Each unit contains a gourmet kitchen with full size stainless steel appliances, living room area, master bedroom and bath, a second bedroom, a second bathroom and two fireplaces. This Casita sleeps six comfortably or two amazingly well. Ideal also for extended executive stay or families relocating.

Great Room

*Extended Stay
In-room Entertaining*

Think of a large studio apartment with a full gourmet kitchen and living area. Twice a day maid service makes you feel pampered when they turn down your luxury down covered bed. Enjoy the beautiful stained glass window and a romantic bath in the largest Jacuzzi tub for two that they make.

Spa Room

Romantic & Therapeutic

Imagine yourself in this very romantic bedroom with mirrored corner Jacuzzi tub, king bed, huge shower with six showerheads. This very possibly could be one of the most enjoyable rooms of your life.

Owner's Private Spa

If you want the very best

The largest, most luxurious spa suite on the Central Coast. These accommodations offer a large great room featuring a full wet bar for entertaining, a spectacular king bedroom with your own private spa that includes: a sauna, a steam shower and a huge Jacuzzi tub for two or more. Whether it is the 1st night of your marriage or your 50th anniversary, you will feel pampered with the fresh roses and all the extra treats this suite includes.
